B6 Dear

Thank you for your letter of May 10. I appreciate the continuing support you and the other members of the Wallenberg Committee of Greater Philadelphia are providing to the efforts to clarify the fate of Raoul Wallenberg.

The proposed presidential directive is indeed still under consideration. However, I can assure you that with or without a specific directive the Executive Branch will continue to take advantage of any and all opportunities to press this issue.

Sincerely,

Edward J. Derwinski
